The following children were present: Bobby, Brenda and Linda Churchill; Ronnie, Dickie and Sandy Gravel; Robert and Richard Docherty; Jane Wesley, and Christopher Dearing, all of LaSalle; Robert and Tommie Bennett, and Audrey Bell, of Windsor.

Sunday morning, September 27th, a callous, masked bandit shot and unresisting Sandwich West service station operator, Ray Brown, 54, of 2692 Howard, and escaped with an estimated \$200.

Brown was rushed to Grace Hospital where he was treated for a stomach wound. His condition is still serious.

Sandwich West Police, headed by Corporal James McDonald, and members of the Essex Detachment of the Provincial Police were assisted by Windsor Police.

Sandwich West Township is posting a \$300 reward to the person who can supply information which will lead to the arrest and conviction of this bandit.

Sacred Heart School Overcrowded

The seven classrooms at Sacred Heart School, LaSalle, are very much overcrowded. Some classes have over fifty pupils. Three of these classrooms are basement rooms which are not standardized.

Teaching under such conditions must be very difficult. A new classroom would greatly benefit both students and teachers.

With an eye to the future, perhaps many of the generous hearts of our community would open their "purses" to help assist in the financing of a new school.

Annual Choir Party Held At LaSalle Church

The annual party of the St. Andrew's Memorial Church choir was held Thursday evening, October 1st, at the home of Mr. and Mrs. Hermon Lenover on Malden Road.

Many relay games were played in the yard which was well lit by flood lights and everyone enjoyed a sing song around a glowing bonfire. Hot dogs and hamburgers were served.

Those present were as follows: Rev. and Mrs. G.D. Vogan, Mr. and Mrs. Bert Silk, Jr., Mr. and Mrs. John Aubin, Mr. and Mrs. R. Humbley and their daughter, Barbara, Mr. and Mrs. A. Lane, Miss Rhoda L'Anson, Mr. and Mrs. J.H. Cooper, Miss Joan Cooper, Miss G. Magda, Lorry Hanna and her daughter, Lynn Carrie, Mrs. Louis Robinet, Miss Amy MacLeay, Mrs. R. Endo, Mr. and Mrs. I. Cochrane, Mr. T. J. Hayward, Kay Endo, Ruth Jenking, Kirby Endo, Ron Robinson, Kenneth Grandmaison, and Lloyd Cochrane and Diana Lenover, daughter of the host.

Birthday Celebration Unites Four Generations

Four generations got together to help celebrate the 70th birthday of Mr. Ulysse O'Gorman. Shown above seated are Mr. Earl O'Gorman and Mr. Ulysse O'Gorman with great-grandson Gerry on his lap. Standing is Mr. Jerry O'Gorman.

Mr. and Mrs. Earl O'Gorman held a birthday party in honor of Mr. Ulysse O'Gorman at their home on Victoria Street, Sandwich West, on Sunday, September 27th.

Those present were as follows: Mr. and Mrs. Marvin O'Gorman

and their daughter Judy, who also celebrated her 10 birthday; Mr. and Mrs. Verol Lovell; Mrs. Hazel Marentine and 3 of her children, Beverly, Gail and Michael; Miss Marion O'Gorman and Mr. Percy O'Gorman.

LaSalle Chief Resigns

Police Chief, Ernest Lauzon, has resigned his position, effective September 30th.

Chief Lauzon accepted this appointment on June 18, 1953, succeeding Delbert Taylor, who took the post a year previous when the dismissal of the former chief and the resignation of his two assistants left LaSalle without police protection.

There was definitely no friction between Chief Lauzon and the council. His reasons for resigning are strictly financial. He felt he could not carry out his duties as Police Chief with the present salary allotted. He has decided to devote full time to his carpentry work, which would be more lucrative.

Mr. Taylor who has been acting as a part-time constable, will continue in this capacity.

Two applications have been received for the position of police chief, and a new chief will be appointed as soon as possible.

Plan Hallowe'en Dance

The Alter Society of Sacred Heart Church, LaSalle, held their regular monthly meeting on Wednesday evening, Sept. 30th, in the Church Auditorium.

The Society recently purchased new carpeting for the church at the cost of \$800. and now find it necessary to raise funds for future projects.

In order to do this, it was decided that a raffle and hallowe'en masquerade dance would be held. The date, place, prizes, etc. will be announced in next week's paper. Be sure to keep this in mind.

Members are requested to pay their dues as soon as possible.

A delicious lunch was served by Isabel Gignac and her committee.

The next regular meeting will be held Wednesday evening on October 28th.

Well Known LaSalle Resident Passes

A resident of LaSalle for 34 years, Mrs. Hilda Marie Wells, wife of John J. Wells, LaSalle Building Inspector and Fire Chief, died Sunday, September 27th, at Hotel Dieu Hospital following a lengthy illness at the age of 64.

Born in River Canard, Mrs. Wells had lived in the same district nearly all her life. She was a member of the Alter Society of Sacred Heart Church, LaSalle.

Surviving besides her husband, are three sons: John, Jr., of LaSalle; Stanley, of Roseland; and Henry, of Toronto; a brother, Arthur B. Bondy, of Sandwich West; two sisters, Mrs. Alphonse St. Louis, of Riverside, and Mrs. Alma Norman, of Windsor; and five grandchildren.

The funeral was held on Wednesday, September 30th, at the Marcotte Funeral Home, at 8:45 a.m., to Sacred Heart Church at 9:30. Burial was in the Church cemetery.

New Street Signs For LaSalle

At the regular meeting of the LaSalle Chamber of Commerce on Monday evening, September 28th, held at the Sunnyside Hotel the Charter Certificate was received from Ottawa.

Mr. Bart Evon was nominated and elected as vice-president. The present slate of officers is as follows: Frank Carlino, Pres. Bart Evon Vice-President; Mrs. Effie Kadmon secretary and Mrs. Ruth Cornet treasurer.

The following directors were elected: Richard Wollison, Ray Russell, Pete Laframboise Jack Cornett, Earl Flannery, Ray Peltier, Gerry Craig, Henry Seewald, Gene Beaudoin, Alma Boudreau, Eldon Dawson and Louis Chappais.

The Signs Committee reported that the town signs had been erected on Malden Road. Permission has been obtained to move the sign now erected on the corner of Reunne Road and Highway 18, to the other side of Turkey Creek in Sandwich West.

A sample metal street sign was shown to the members and the purchase of ten signs was approved. In order to continue erecting similar signs on all LaSalle Streets, a draw is to be held on a \$100 bond. Tickets are now available from any member. It is to be hoped that there will be no difficulty in accomplishing this project. Gerry Craig who heads the committee, Ray Peltier and Ray Russell have volunteered to purchase and erect these signs.

Mr. Henry Seewald was authorized to make a survey of LaSalle property to establish a house numbering system. This is a tremendous task and should Mr. Seewald need any assistance he is to call upon Mr. Jack Aubin who volunteered his assistance.

The Mortgage Committee reported that the matter is presently being taken up in Ottawa. The LaSalle council is to be asked to approach the Municipal Planning Board regarding the reclassification of LaSalle.

Mr. Bart Evon reporting for

Woman's Guild Meet

The Woman's Guild of St. Andrew's Memorial Church, LaSalle, will hold their next meeting at the home of Mrs. G. D. Vogan, Gladstone Avenue, LaSalle, on Wednesday, October 7 at 1:30 p.m.

Church Box Robbed At River Canard

On Sunday afternoon, September 27th, a thief entered St. Joseph's Roman Catholic church at River Canard, cleaned out the offering box containing about \$5, and was attempting to steal valuable gold and silver. Chances when he was disturbed by the entry of two nuns and fled.

The two Sisters were unable to get a good look at the thief.

Sacred Heart Church in LaSalle, was similarly entered last week but nothing was taken. Authorities believe this was possibly the same thief.

The bank committee, advised that the matter is now in the actual planning stage. Dr. A. Jung has contacted the Dominion Bank architect for a final decision which should be within a few weeks.

Mr. Earl Flannery gave the Ways and Means Committee a report. After a discussion of different courses to be taken to raise money for the Chamber of Commerce, it was decided that a draw be held on a \$100 bond immediately, the proceeds to be used for the street signs. Future activities will be organized at the next meeting.

The Chamber has taken over the responsibility of the Safety Patrol. The committee was appointed to paint "Safety Cross Walks" on the highway at school crossings. Ray Russell and Ray Peltier volunteered to do this work.

The next regular meeting of the Chamber of Commerce will be held at the Michigan Tavern, Malden Road, Monday evening October 26, at 9 o'clock sharp.

New LaSalle Street Signs

Mr. Frank Carlino, president of the LaSalle Chamber of Commerce, Mr. Ray Russell and Mr. Gerry Craig are displaying the new metal street signs to be erected in LaSalle presently.

Hydro to Take Inventories In Area Served By LaSalle P.U.C.

Ontario Hydro crews, who are now in process of taking inventories of frequency-sensitive appliances owned by customers of the Windsor Rural Operating Area served by the Malden Distributing Station, will move into the area served by the LaSalle Public Utilities Commission in the third week of October.

Announcing this today, Ontario Hydro Chairman Robert H. Saunders stated that the task in LaSalle will require approximately one week. Inventories have already been taken of the frequency-sensitive equipment of the 3 power customers.

It is anticipated that for domestic customers it will be necessary to standardize more than 500 washing machines, some 350 refrigerators and over 200 record players. In addition, it is expected, that nearly 400 clocks and over 100 a/c fans will either be changed over for operation at the higher frequency or exchanged for new 60-cycle models.

Exact figures on the numbers of appliances affected will not be known until inventory in LaSalle has been completed.

Customers are requested to refrain from purchasing any 25-cycle appliances. If, however, urgently needed equipment is bought after inventory, or if any equipment is disposed of, this should be immediately reported to Ontario's Hydro's frequency standardization area office at 4100 Sandwich Street W., Windsor, (telephone CL 3-7421).

"Operation-Changeover" for customers served by the LaSalle P.U.C. is scheduled for the last week of February and the first week of March 1954.

SANDWICH WEST COUNCIL MEETING

The Sandwich West council
held their regular meeting on
Tuesday evening, September 29
at the townhall.

The council granted permis-
sion to the Canadian Constock
Company to park their trailer
and trucks by the townhall dur-
ing the frequency changeover.

Mr. E. Dupuis complained
that two drains were broken
down on his property and caus-
ing the water to back up into
his wheat field. The council in-
structed the Road Superintend-
ent to look into this matter.

A letter was received suggest-
ing that caution signs be erected
at the busy intersection of South
Cameron boulevard and Douglas
highway. Due to the high weeds
and slope of the boulevard, more
prominent signs are required.
The procurement of satisfactory
signs for this intersection is to
be investigated by the Road Su-
perintendent.

Mrs. Jean Shea, school nurse
for Central Public School and
the separate school, Notre Dame
de Bon Secour, requested some
assistance for the balance of this
year. She would like a nurse
one day each week, preferably
Thursdays. The council agreed
that she be permitted to obtain
this assistance.

Mr. George Hooker, Building
Inspector, reported that he was
constantly in touch with the U-
nited Iron and Paper junk yard
situation and that a fence was
being erected and efforts were
being made to clean this up to
the satisfaction of the township.
Completion of this work was
promised within a short time.

Solicitor Al Kennedy was in-
structed to oppose annexation
of parts of Sandwich West to
Windsor. An appointment is to
be made to meet with the city
of Windsor the latter part of
October or beginning of Novem-
ber.

The council was presented with
a petition stating that the Grand
Marais ditch is a detriment to
public health. This matter is to
be referred to the Provincial
Board of Health for recommenda-
tion.

Only one tender was received
for the erection of the Grand
Marais bridge.

The number of hunting licences
to be ordered will be the same
as in previous years.

The council recommended that
a \$200 reward be offered to the
person giving information which
will lead to the arrest and con-
viction of the holdup men who
shot Ray Brown, Sandwich West
gas station operator, last Sun-
day morning.

Our Lady of Fatima Statue Visits LaSalle

On Sunday, September 20th.,
at 6:30 p.m., a large crowd was
present to receive the miniature
Statue of Our Lady of Fatima
at Sacred Heart Church.

The Statue was received at the
Church door and carried inside
by four gentlemen. Parishioners
heard a wonderful sermon given
by Rev. Father John P. Moore
on the message of Fatima in
which she pleads for total ro-
pation." Following this, Father
Murphy gave an
outstanding sermon in French
stressing the necessity of doing
penance for our sins and for
mankind.

On Monday morning the
children eagerly listened to a
sermon given by Father Moore.
With the use of many illustra-
tive stories, Father Moore showed
the power of "children's
prayer." Following the sermon
the Statue was carried in solemn
procession to the Sacred Heart
School by four high school girls
who were preceded by four
flower girls. The young girls
were all in white and the seniors
wore blue mantles. The boys
were dressed in their Sunday
suits. They recited the rosary
and sang hymns over the loud
speaker.

The school was beautifully
decorated with gladioli and
ferns. Over 200 vigil lights were
burning, each family being rep-
resented at the foot of the Sta-
tue. The rosary was recited
throughout the day without in-
terruption. The piety of the
children was very impressive.

Many visitors came to pay
their homage to Our Heavenly
Queen whose image the Statue
represents.

Miss Victoria Ferrari enrolled
all the children in the "Blue
Army of Our Blessed Mother"
to counteract the red army of
communism. In this, they prom-
ised daily recitation of the ro-
sary, wearing the scapular and
the reception of Holy Communion
on the first Saturday of
each month.

Rev. Father Moore gave the
privilege to Sister Elizabeth,
principal of Sacred Heart school
of crowning the Statue when she
arrived at school.

At 4:30 p.m. the student body
returned in solemn procession to
the church.

Before the statue left for River
Canard, they had the solemn
act of consecration for the whole
parish.

At 6:30 p.m. four devoted
trustees of Sacred Heart School
carried the Statue to the float
amidst hymns of thanksgiving for
the privilege of having the Sta-
tue in our midst and for all the
graces the Blessed Virgin lent
in the whole town of LaSalle.

This visit will never be for-
gotten and such demonstration
given in honour of the Mother
of God increases our love and
our faith.

Father Moore was pleased to
receive a spot light from one of
the parishioners which admitted
the Statue to be seen from afar
at night.

Special thanks are given to
Mayor Herbert Runstetter and
the police who controlled the
traffic while the procession walk-
ed on the highway from the
church to school.

First Meeting

The first meeting for the fall
season of the Local Association
for Guides and Brownies of La-
Salle will be held in the townhall
